summer art sale @ artland gallery

IN ASSOCIATION WITH MANCHESTER AID TO KOSOVO

We would like to invite you back to Artland Gallery for our Summer Art Sale. There are some beautiful and original pieces of art to purchase from local and international artists at very reasonable prices. 10% of all sales will be donated to Manchester Aid to Kosovo towards the completion of the Manchester Peace Park in Podujevë, Kosovo.

James Walmsley, the Director of Artland Gallery has been working with Manchester Aid to Kosovo for four years and curated Fragile State, Art from Kosova at Stockport Art Gallery with MAK in 2007.

You can find more information about MAK's work at www.makonline.org.

Artland Gallery opened in October 2008 and has exhibited local artists Jan Chlebig and Margaret Cahill. We were also very proud to exhibit (for the first time in the UK) New York Times photographer Christoph Bangert and his work from Iraq (for more information visit his website www.christophbangert.com).

Artland Gallery will resume its exhibition programme in Autumn 2009.
