

Calendar 2010

£9

Since 2001 MAK has been building the Manchester Peace Park in Kosovo.

Last year MAK created a calendar to show the development of the park over the years and other related MAK projects. The calendar was a big success so we have decided to do it all over again!

2009 has been a fantastic year for MAK and the 2010 MAK Calendar will show brand new pictures for all seasons.

All profits from the sale of each calendar will be used to carry out MAK's work in Kosovo.

To order please either complete this form and return to MAK with a cheque for the full amount or email shop@makonline.org
