

**Do you enjoy eating with friends?**

Would you be prepared to invite a group of friends or family to your home for a meal and charge them £10 per head? (Or more if you're a budding chef!)

In keeping with the popular TV show we would hope that your guests return your hospitality or invite another friendship group.

It is your choice whether you provide entertainment, mark your efforts and offer prizes. Alternatively just enjoy a meal in each other's company and raise much needed funds for the Peace Park.

**What could be easier?**

**At your home.**

**At your convenience.**

**At your expense!**

**Thank You!**
